

Everyone Says I Love You - Groucho Marx

C F C D7 Dm7

[C] Everyone says [F] I love [G7] you But
[C] just what they [Dm7] say it for I [F] never [F7] knew It's
[C] just inviting [F] trouble for the
[Fm] poor sucker [G7] who says [C] I love you.
[D7] [Dm7] [G] [G7]

Take a pair of rabbits who
Get stuck each other and begin to woo
And pretty soon you'll find a million more rabbits who
Say I love you.

[E7] When the lion [B7] gets felling frisky And be
[E7] gins to [A7] roar
[G] There's another [D] lion who knows just what he's
[Fm] roaring [G7] for

Everything that ever grew
The goose and the gander and the gosling too
The duck upon the water when he feels that way too
says I love you.
