

Imagine me Em and you—I do.

I think about you D day and night; it's only right  
To think about the C girl you love and hold her tight,  
So happy B together.

If I should Em call you up, invest a dime,  
And you say you D belong to me and ease my mind,  
Imagine how the C world could be so very fine.  
So happy B together.

*Bridge:*

E I can't see me Bm lovin' nobody but E you  
For all my G life.

E When you're with me, Bm baby, the skies'll be E blue  
For all my G life.

Em Me and you and you and me—  
No matter how they D toss the dice, it has to be  
The only one for C me is you and you for me,  
So happy B together.

*Repeat Bridge*

Em Me and you and you and me—  
No matter how they D toss the dice, it has to be:  
The only one for C me is you and you for me.
