

I Cant Sleep – Bonnie Kolac (YouTube will find this)

Last night I (D) stayed up late to watch the (A) sunrise.
It afforded a wonderful (D) view.
Count the sheep till I (G) cry.
Count the (F#) times you said good (Bm) bye.
(A#) I cant sleep, when I cant sleep with (A) you.

There's no (D) reason to think you'd (A) remember,
of love like some forgotten (D) IOU.
I've been watching the (G) door.
Every (F#) night since you've been (Bm) gone.
(A#) I cant sleep, (A) when I cant sleep with (D) you.

(A) Oh baby. (D) I'm so lonley.
(A) Now I'm wondering just what i'm gonna (D) do.
(F#) You dont have to (Bm) wake me when it's over.
(E) Now I know I (F) can get over (A) you.

Last night I (D) stayed up late to watch the (A) sunrise.
And I'll stay up late tomorrow night (D) too.
Count the sheep till I (G) cry.
Count the (F#) times you said (Bm) goodbye.
(A#) I cant sleep, (A) when I cant sleep with (D) you

(A) Oh baby. (D) I'm so lonley.
(A) Now I'm wondering just what i'm gonna (D) do.
(F#) You dont have to (Bm) wake me when it's over.
(E) Now I know I (F) can get over (A) you.

Oh I (D) stayed up late to watch the (A) sunrise.
And I'll stay up late tomorrow night (D) too.
Hear that early bird (G) call.
Aint it (F#) hard when you (Bm) fall.
(A#) I cant sleep, (A) when I cant sleep with (D) you.

Hear that early bird (G) call.
Aint it (F#) hard when you (Bm) fall.
(A#) I cant sleep, (A) when I cant sleep with (D) you.
