

Moondance

By: Van Morrison

|Em Fm|G Fm|

Well, it's a marvelous night for a moondance
With the stars up above in your eyes
A fantabulous night to make romance
'neath the cover of October skies
And all the leaves on the trees are falling
To the sound of the breezes that blow
And I'm trying to please to the calling
Of your heart-strings that play soft and low

(Chorus)

Am Em Am Em
And all the night's magic seems to whisper and hush
Am Em Am* * * B7 * * *
And all the soft moonlight seems to shine in your blush

|Em Am | Em Am | Em Am | Em Am|
Can I just have one more moondance with you, my love
|Em Am | Em Am | Em Am | Em B7|
Can I just make some more romance with you, my love

Well I wanna make love to you tonight I can't wait til the morning has come
And I know now the time is just right And straight into my arms you will run
And when you come my heart will be waiting
To make sure that you're never alone
There and then all my dreams will come true dear
There and then I will make you my own

Am Em Am Em
And every time I touch you, you just tremble inside
Am Em Am* * * B7 * * *
And I know how much you want me that you can't hide (Chorus – 1st verse)

One more moondance with you in the moonlight
On a magic night
La, la, la, la in the moonlight
On a magic night

|Em D | C Bm | Am Em
Can I just have one more moondance with you my love
