

[Intro] C F C F

Round and Round - Edgar Winter

[Verse 1]

(Am) I tried to (G) love her but she (F) changes every (C) day.

(Dm) Wouldn't be much (C) fun if she was (F) any other (G) way.

(Am) One day she's (G) warm. (F) Next day she's (C) cold.

(Dm) One day she's (C) young and then (F) the next day she's (G) old.

[Chorus]

(v2: I go – v3: We go)

(C) So round and (G) round and (F) round **she** (C) goes,

(F) and where **she** (C) stops... (Dm) nobody (G) knows.

(C) Love is the (G) feelin' that (F) grows and (C) grows,

(F) and where it (C) stops... (Dm) nobody (C) knows. (F)

[V 2]

(Am) She tries to (G) understand the (F) things that I (C) do

(Dm) Without ever (C) thinking (F) what she puts me (G) though

(Am) I'll never (G) be the thing she (F) wants me to (C) be

(Dm) Until she (C) loves enough (F) to set me (G) free

[Chorus] (I go)

[V 3]

(Am) Our life is (G) short... (F) to be so (C) long.

(Dm) Our minds are (C) weak... (F) to be so (G) strong.

(Am) Alone (G) together... we (F) come and (C) go,

(Dm) but where we're (C) goin'... (F) I don't (G) know.

[Chorus] (We go)

[Outro – Same as Chorus]

(C) So round and (G) round and (F) round It (C) goes,

(F) and where she (C) stops... (Dm) nobody (G) knows.

(C) Love is the (G) feelin' that (F) grows and (C) grows,

(F) and where it (C) stops... (Dm) nobody (C) knows. (F)
